

# Miriona

Miriona offers a wide range of consultancy and training services to help organisations and individuals improve the way they work. This is achieved by working with you to improve processes, governance and management, or by supplementing your in-house team when you need additional skills or more resource.

In support of our ethical stance, Miriona offers preferential rates to the charity sector.

The following are just some examples of the services we provide. If you have a particular need and want to know how Miriona can help, contact us for a professional appraisal.
